NOAH'S ARK

Ark Encounter features a full-size Noah's Ark, built according to the dimensions given in the Bible. Spanning 510 feet long, 85 feet wide, and 51 feet high, this modern engineering marvel amazes visitors young and old. In an entertaining, educational, and immersive way, it presents a number of historical events centered on a full-size, all-wood Ark, which is the largest timber-frame structure in the world.
