CHURCH FAMILY and FRIENDS

“Come with me by yourselves to a quiet place and get some rest.” Mark 6:31

August is normally a rest month for the ministry of the church. Many frown on the idea of the church taking rest. The reality is that the work of the church is done by persons, from the pastor to the pew, who often get burned out, tired and weary. 2020 has been a year full of challenges. Mentally, physically, personally and spiritually. Everyone has been affected. There is a need for rest.

Rest is becoming a lost art in our modern culture. We've exchanged its old-fashioned value for a hectic, fast-paced, breakneck speed of life. Our fervor and passion disintegrate while our blood pressure elevates. Packed within each 24-hour time span is an unsustainable number of tasks we've placed upon ourselves, as well as demands others deem urgent enough to place upon us as well. Based on our fatigue and frustration, we would give anything to off-load the burden.

In reality rest doesn't seem like a viable option anymore. Have we forever passed up any kind of reality that dares to include rest as part of a typical day? Or week? Or month? Or...a year?)

THANK YOU FOR GIVING

Your financial support during this pandemic season, has allowed Trinity to continue to be good stewards of our fiscal responsibilities.

We are blessed to have a membership, who is willing to make certain Trinity continues to do the work of the Lord. You have truly exemplified Malachi 3:10 (NIV), “Bring the whole tithe into the storehouse, that there may be food in my house. Test me in this,” says the Lord Almighty, “and see if I will not throw open the floodgates of heaven and pour out so much blessing that there will not be room enough to store it.”
