THANK YOU FOR GIVING

We truly appreciate everyone who has continued to follow the scripture of Malachi 3:10. The scripture reads, "Bring the whole tithe into the storehouse. Test me in this," says the Lord Almighty, "and see if I will not throw open the floodgates of heaven and pour out so much blessing that there will not be room enough to store it." Your continued financial support has allowed Trinity to continue to be good stewards of our fiscal responsibilities. We are blessed to have a membership, who is willing to make certain Trinity continues to do the work of the Lord.

Every October is Breast Cancer Awareness Month. Trinity participates in spreading the awareness about the disease that kills nearly **41,000 women** each year.

The following facts are from the [National Breast Cancer Foundation, Inc.](#) and [American Cancer Society](#), which offer excellent resources to learn more about breast cancer.

- Breast cancer is the most common cancer for women worldwide
- 1 in 8 women receive a breast cancer diagnosis
- On average, every 2 minutes a female is diagnosed with breast cancer
- 1 woman will die of breast cancer every 13 minutes
- Over 3.3 million breast cancer survivors are alive in the U.S. today
- An estimated 2,470 men will be diagnosed with breast cancer
- Breast cancer occurrence and death rates generally increase with age
- Only 5-10% of individuals diagnosed have a family history of breast cancer

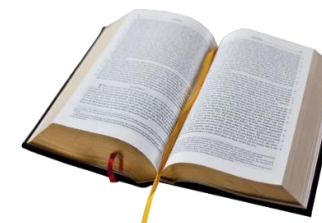

Awareness...

October is National Domestic Violence Awareness Month...
...but every day of every month of every year is a good day to help someone get free from domestic violence because it happens every day of every month of every year... and it's probably happening to someone you know. *Speak out today.*

Domestic violence is **the leading cause of injury to women** – more than car accidents, muggings, and rapes combined. 1/2 of all homeless women and children in the U.S. are fleeing from domestic violence. Every 9 seconds in the US a woman is assaulted or beaten.

If you know of someone, or yourself needs help from domestic violence, **call the 24/7 Crisis & Information Hotline at 614-224-4663.**
