## A STANDING OVATION

Throughout our lifetime, we have attended an event whether a concert, theater play, musical performance, or an experience which moved us to tears. Either experience we've had, it has caused us to rise out of our seats, put our hands together in a continuous clapping motion, and raise our voices to display our approval and appreciation for what we witnessed.

We have now arrived at the day Christian's celebrate Palm Sunday. This day is the arrival of Jesus in our lives. It is the celebration of positivity and happiness. Palms are waving in the air, tears are flowing, people are clapping, others have their heads down to show honor, some are pushing forward in the crowd because everyone is wanting to get a glimpse of Jesus. They are on their feet with voices raised high shouting "Hosanna to the King of Kings".

As you study the life of Jesus on the pages of the four Gospels, you discover that of the material about the life of Jesus focuses on the last week of his life. Those who wrote the stories of Jesus were saying that the most important part of the disclosure of who HE was, and who HE is, is revealed in the last week of HIS life. It all began on Palm Sunday, a day of applause when Jesus entered Jerusalem for the last time. This would be the last time the people could give HIM a standing ovation that HE could see. But was it really the last time? We stand today with our hands clapping, tears of gratitude flowing, and voices raised celebrating the King of King for what HE has done, what HE is doing, and stepping out on faith for what HE is about to do for us.

HE is headed to the cross, to take away the sins of the world so that we might be sin-free. The standing ovation must continue because without the CROSS we could not stand.

*Pastor Victor M. Davis*

God is showing up in the lives of  
TBC's youth and they have proof!  
When we began, we created a  
prayer wall with prayer requests,  
answered prayers, and praise  
reports. Some of their prayer  
requests included getting colored  
hair, a new game, or a better grade  
in school. Other requests from God  
included healing for their body, the  
bully on the playground, or that  
their parents may remain safe.

We recently celebrated a  
significant praise report within our  
youth community. As we prayed  
for Little Riley, TBC's youth made  
a card and gift bag for the family,  
including big brother Lorenzo, who  
was equally overjoyed.

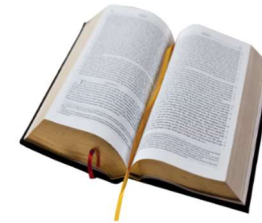

Our youth can tell you; their  
greatest weapon is PRAYER! Can  
we count on you to continue to  
pray for us?

We'd also like to thank Pastor  
Davis, Rev. Janet, Sis. Vickie, Sis.  
DJ, "Auntie Paula", my husband  
Will, and all the donors,  
supporters, and the TBC family  
who continues to pray and  
encourage us.

We're growing and we praise God!  
We also need your help. If you are  
willing, able, fun, encouraging, and  
believe in the future of TBC's  
youth, we'd love to hear from you.  
Please contact the church office for  
more information.

Minister Serena Brown Travis**
