TRINITY CELEBRATES *Years of Ministry*

While Trinity' official rest month has ended, in reality ministry, sharing Jesus's mission and recessing is never an option. As your pastor, I had an opportunity to enjoy quietness and meditation preparing for next season.

The month was not totally one of rest. I visited other ministries, and conventions representing the best church on this side of Heaven. During this time, I also accessed and analyzed our strengths as a church. I am proud to say that we are unapologetically an active church in our community and beyond. Collectively our kindness, attentiveness to the food insecurities, and clothing needs in our own backyard keeps Trinity Baptist Church doing a good work.

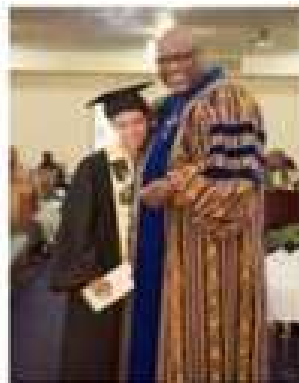

While some of our good deeds are public, behind the scenes the work is as specific as providing football cleats for a local student to join their high school team, shoes for another kid just to simply walk out of the house and ditch the slippers and delivering grocery gift cards to help feed families in need. The church also contributed hygiene bags including items for community residents, haircuts for our young boys and hairdos for young girls. The church also continues to assist individuals financially with housing utilities, and medication.

The Scarborough Housing Project is a major initiative of the church and still in motion. Your giving to the Nehemiah Fund will continue to build a fiscal foundation for the new worship center. I thank all of you for your donations and commitment in seeing this project to completion.

While resting, I also was able to continue sharing the good news and the great commission. Letting people know that God is Still God. He will never leave you nor forsake you. What God has for you is for you. Prayer still works. God is a way maker, healer, and deliverer.

"Thank You" to the best administrative and ministry team. I never take what you do for the granted. Your dedication and commitment is appreciated as we continue towards a great work.

I remain humbled, grateful and proud to be your Pastor.

TBC YOUTH MINISTRY

Minister Serena Brown-Travis

TBC's Youth Ministry Department is looking forward to launching a new teaching series that will hopefully capture the hearts and minds of our young and developing disciples.

We will explore the Children of the Bible and their impact on many of the biblical stories we know. The responsibilities, leadership skills, and how committing their young lives to God's instructions guided their success. Furthermore, we will pair the youth of the Bible to modern times and their lives.

It was a child's lunch that fed a crowd. A child's rock that slayed Goliath. Children were important to Jesus and they are important to the church. Make sure your youth are at TBC to understand their value to the kingdom.

There is hope for your future, says the Lord: Your children shall come again to their own land. (Jeremiah 31:17)

We have an exciting contest in the works...complete mastery of The Lord's Prayer. Continue to work with your children of this important lesson that Jesus taught his disciples and for us to remember and recite.

Dear Lord, bless our students with peace, protection, and a passion to learn. Give them everything they need to be an example of your love. Show them the right path, guide their choices, and help them seek you in all things. We pray this and many more blessings over our youth, Amen!

99.5 WON'T DO... RECIPES STILL NEEDED

Trinity family we only need 30 RECIPES in order to produce the Trinity Cookbook. We are making it even easier to submit your favorite recipe. You can hand write, type it, or copy it. Once you are finish, include your name and phone number in case we have questions. Turn it into one of the ushers, give it to one of the office team. If you have questions, see Sister Greta Russell or Dr. Karen Williams.

LOTT CAREY ELECTS PASTOR DAVIS TO THE BOARD OF DIRECTORS

During the August 2024 annual gathering of the Lott Carey Foreign Missions Convention in Memphis, Tennessee Pastor Victor M. Davis was elected to the organization's Board of Directors.

Pastor Davis has been a longtime active support of Lott Cary. His involvement with Lott Carey began at his home church, First Baptist Church, Fayetteville, NC under the pastoral leadership of Dr. C. R. Edwards. He recalls meeting Dr W. C. Sommerville, longtime executive secretary treasurer and Dr. Jeremiah and Mrs. Florence Walker, mission's partners from Liberia. While a student at Shaw University, Pastor Davis worked as a resident advisor for the university during the summer while Youth Seminar met on the campus. The support of missions continued during his pastorate at First Missionary Baptist Church, Smithfield, NC. (Continued on Page 4: Lott Board of Directors)

DONATION GIVEN TO...
 The Nehemiah Fund in memory of Pete Towler from loving wife, Garnett Towler.

WE SERVE OUR COMMUNITY

Trinity, we are thankful for your participation in our annual back to school rally. We served more than 350 children and families with your support.

One of the most touching comments we received was this, "Thank you for this toothbrush. Now we no longer have to wipe our teeth with paper towels in the morning."

Your hygiene bags helped to give the basic necessities to countless households. While we assume that toothbrushes, deodorant, feminine products, and combs are a simple commodity, your generous donation helped to lift a burden and give renewed hope to some challenged families.

Thank you for helping us help our block.

LOTT CAREY BOARD OF DIRECTORS CONTINUED:

Trinity Baptist Church has continuously supported the work of Lott Carey since 1929. Pastors N. L. Scarborough and E. A. Parham both served as president. Several members of the church, Deacons Loyd Bussey and James Buford, Dr. Willie Battle, Sisters Jackie Williamson and Hattie Minor all served in leadership. Pastor Davis has continued leading the church in that missional legacy. He has traveled to Haiti with Lott Carey and for several years served as an instructor for the Missions Studies classes. The church has also hosted mission's partners from South Africa, Haiti and Louisiana.

Established in 1897, Lott Carey has networks in 27 countries in Africa, Asia, the Caribbean, Europe, North America, Oceania, and South America.

Based in the Washington DC Metro Area, Lott Carey provides financial support and technical assistance in leadership development, education, training, healthcare, advocacy, disaster relief, and other services.

Inez Toney, Cathy Parker (NC), Pastor Davis, Rev. Janet Sheppard & Dr Robert Scott, (2nd Vice President) attend Lott Carey 24th Annual Gathering.

SEPTEMBER 2024

FALLING LEAVES

As cool breezes fills the air, trees line the streets everywhere, daylight seems to leave too soon.

The shadow of leaves seen by the light of the moon. The leaves they fall. Some one by one, others swirl in bunches when the wind has begun.

There are all colors, sizes, and many shapes too.

They fall to the ground. Some fall in piles, others separate their way and fall alone.

God's gift of the leaf's beauty, He sends our way. Another special season for us to enjoy each day.
